

grace

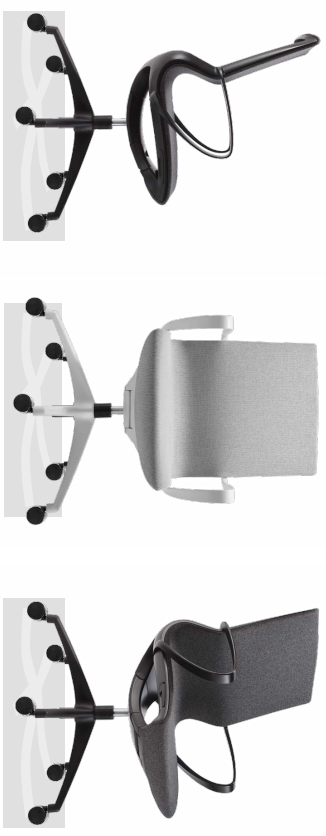

Grace

Design low back task chairs with armrests. Black or white frame and mesh. Assembled tilt mechanism. Nylon or aluminium base. 5 years warranty.

vision

Minimal Design

Perfection is not when there is nothing to add, but rather when there is nothing to take away or leave out. The minimalist VISION Chair integrates the reclining mechanism in a new and exciting way – fully integrated into the structure. This allows for clean lines and an ultra-light appearance.

A Real Team Player

The VISION Chair is a lightweight, smart and attractive seating solution that can be used as a task chair as well as a meeting room or chair. The clean lines and intelligent reclining mechanism make VISION a pleasure to see and use.

dinky

„DINKY“ has proven to be beneficial to health and wellbeing of office workers. For decades we have talked about and experienced back issues as a serious problem. Well-designed ergonomic task chairs allow for motion and movement and thus can reduce the back strains and pains. DINKY Seating are unique stools, perch, sit-stand solutions that allows for beneficial movement; sitting/perching in varying positions and at different heights prevents built-up of lactic acids and muscles from fatiguing, reduces the risks of back problems. Colours: F203 Red, F204 Blue, F205 Grey, F207 Black, F208 Green. 3 years warranty.
